Supt. Mint,

Phila., Pa.

Dear Sir:-

I have in my possession what seems to be a die for a silver ten-cent piece, dated 1821, handed to me by one of my employees who says he found it on the street. If you desire the same please telephone me between nine and twelve to-morrow morning, giving information as to the proper person for whom to inquire, or to whom to deliver it.

Yours truly,

Cyrus H. K. Curtis.
